

JINU J SAJU

☎ +91 6282720978 | ✉ jinusaju2017@gmail.com | 📍 Trivandrum, Kerala

Profile Summary

Computer Science Engineering student with experience in Full Stack MERN Development, IoT Systems, and UI/UX Design. Strong foundation in Python, C and Java with experience in data structures, algorithms. Developed end-to-end web applications and IoT-based communication systems through internships, academic projects, and hackathons. Seeking opportunities to enhance technical expertise and contribute to impactful software development projects.

TECHNICAL SKILLS & TOOLS

- **Programming Languages:** Python, C, Java
- **Database:** MongoDB, MySQL
- **Tools & Platforms:** Git, GitHub, Postman, VS Code
- **Design:** Figma, Photoshop, Canva
- **Core Skills:** Communication, Team Coordination, Time Management

PROJECTS

Deep Sea: Long-Range Fisherman Safety Mesh

Technologies: LoRa, GPS, IoT, Embedded Systems, Microcontrollers

- Developed an IoT-based maritime communication system using LoRa, GPS, sensors, and microcontrollers to enable long-range vessel connectivity in areas with limited or no internet access.
- Implemented real-time vessel tracking and emergency distress alert transmission through a decentralized low-power communication network.
- Enhanced communication reliability by addressing signal attenuation, energy optimization, and network scalability challenges in harsh marine environments.

Ortho Clinic Mangalore Website

Technologies: HTML5, CSS3, JavaScript, Google Maps API

- Developed a responsive healthcare website for an orthopedic clinic using HTML, CSS, JavaScript, and Google Maps API to improve online presence and patient engagement.
- Designed and implemented pages for medical services, doctor profiles, clinic schedules, contact information, and location details.
- Integrated WhatsApp-based appointment booking and Google Maps navigation while optimizing the website for desktop, tablet, and mobile devices.

Library Management System

Technologies: MongoDB, Express.js, React.js, Node.js, JavaScript, Nodemailer

- Developed a MERN-based Library Management System with authentication, CRUD operations, and RESTful APIs for managing books, users, and issue/return transactions.
- Designed database schemas and implemented RESTful APIs with CRUD functionality for efficient data management and system operations.
- Integrated user authentication and automated email notifications using Nodemailer to provide real-time updates on book issue and return activities.

INTERNSHIPS

ICT Academy of Kerala

09 Dec, 2024 - 24 Jan, 2025

Full Stack Development Intern (MERN)

- Completed a project-based Full Stack Development internship specializing in the MERN stack
- Designed and developed a complete Library Management System website from scratch.
- Built responsive user interfaces with React.js and engineered robust backend APIs using Node.js and Express.js.
- Implemented database schemas in MongoDB for efficient book tracking, user authentication, and transaction records.

EDUCATION

Mar Baselios College of Engineering and Technology <i>Bachelor of Technology in Computer Science Engineering CGPA: 7.06/10</i>	Expected 2027 Trivandrum, Kerala
St. Marys Higher Secondary School, Pattom (KBHSE) <i>Higher Secondary Education (Class XII) 79.4%</i>	2023 Trivandrum, Kerala
Sarvodaya Central Vidyalaya (CBSE) <i>Secondary Education (Class X) 83%</i>	2021 Trivandrum, Kerala

CERTIFICATIONS

- **Programming, Data Structures and Algorithms using Python** NPTEL (IIT Madras), Sep 2024
- **Introduction to Machine Learning** NPTEL (IIT Madras), Oct 2025
- **Introduction to Internet of Things** Cisco Networking Academy, February 2024

WORKSHOPS

- **Advanced Python Programming** Mar Baselios College of Engineering and Technology, Jul 2024
- **Cyber Security and Ethical Hacking Workshop Techmagh** Tryst 2024 IIT Delhi Nov 2023

ACHIEVEMENTS & COMPETITIONS

• Infosys HackWithInfy Coding Challenge 2026	Round 1 Qualified
• Cognizant Technoverse Hackathon - 2026	Qualified
• Smart India Hackathon (SIH) - 2024	Qualified

EXTRA CURRICULAR ACTIVITIES

- Member of NSS during school education
